Total number of shares and voting rights

The company's share capital at the time of convocation of this General Meeting amounts to €2,379,519,078.40 and is divided up into 929,499,640 registered (no par value) shares with eligibility to vote at and participate in the General Meeting. At the time of convocation of this General Meeting, 193,567 of these no par value shares consist of own shares held in treasury, which do not grant any rights to the company.

Participation in the General Meeting and exercise of voting rights

Pursuant to § 17 of the Articles of Association, shareholders who are entered in the share register and have given notice in due time to the company of their intention to attend are entitled to participate in the General Meeting and exercise their voting rights. Such notification must be received by the company by no later than April 5, 2013, either electronically using the company's password-protected Internet portal as specified in the letter to registered shareholders ► www.deutsche-bank.com/general-meeting or in writing to the domicile of the company in Frankfurt am Main or to the following address:

Deutsche Bank Aktiengesellschaft
Aktionaersservice
Postfach 14 60
61365 Friedrichsdorf
Germany
e-mail: deutschebank.hv@rsgmbh.com

Pursuant to § 67 (2) sentence 1 Stock Corporation Act, only those who are listed in the share register are considered shareholders of the company. As a result, the status of the entries in the share register on the day of the General Meeting is decisive for determining the right to participate as well as the number of votes the authorized participant is entitled to. For technical processing reasons, however, no changes to the share register will be carried out ("registration stop") between the end of April 5, 2013 ("technical record date") and the conclusion of the General Meeting. Therefore, the entry status in the share register on the day of the General Meeting will correspond to the status after the last change of registration on April 5, 2013. The registration stop does not mean the shares are blocked for disposal. Share buyers whose change of registration requests are received by the company after April 5, 2013, however, cannot de facto exercise the rights to participate and vote on the basis of these shares unless they have obtained a power of attorney to do so or an authorization to exercise such rights. In such cases, participation and voting rights are retained by the shareholder entered in the share register until the change of registration. All buyers of the company's shares who are not yet registered in the share register are therefore requested to submit change of registration requests in due time.

Exercise of voting rights by authorized representatives

Shareholders registered in the share register may also have their voting rights exercised by an authorized representative (proxy). The issue of the power of attorney, its cancellation and proof of the proxy authorization vis-à-vis the company are required, in principle, in text form if the power of attorney to exercise the voting right is granted neither to a bank, or an institution or company with an equivalent status pursuant to § 135 (10) Stock Corporation Act in conjunction with § 125 (5) Stock Corporation Act, nor to a shareholders' association or another person with an equivalent status pursuant to § 135 (8) Stock Corporation Act.

Powers of attorney can also be issued and revoked electronically until April 11, 2013, 12 noon, using the password-protected Internet portal ► www.deutsche-bank.com/general-meeting.

Proof of the proxy authorization vis-à-vis the company can also be sent electronically to the following e-mail address: deutschebank.hv@rsgmbh.com.

If powers of attorney to exercise voting rights are issued to banks, to institutions or companies with an equivalent status pursuant to § 135 (10) Stock Corporation Act in conjunction with § 125 (5) Stock Corporation Act or to shareholders' associations or other persons with an equivalent status pursuant to § 135 (8) Stock Corporation Act, the requisite form for these is specified, where appropriate, by the recipients.

The company also offers its shareholders the possibility of being represented by company employees appointed by the company as proxies to exercise shareholders' voting rights at the General Meeting. These company proxies will only vote in accordance with the instructions issued to them. The power of attorney can be issued and the instructions can be submitted in writing to the following address:

Deutsche Bank Aktiengesellschaft
Aktionaersservice
Postfach 14 60
61365 Friedrichsdorf
Germany

Furthermore, there is also the possibility to issue the power of attorney and instructions to the company employees appointed as proxies electronically by April 11, 2013, 12 noon, using the password-protected Internet portal ► www.deutsche-bank.com/general-meeting.

Details on how to issue a power of attorney and instructions using the Internet are given in the documents sent to the shareholders.

Admission cards and voting cards will be issued to shareholders and representatives authorized to participate.

Submitting absentee votes

Again this year, shareholders listed in the share register can submit their votes – without participating in the General Meeting – through absentee voting. Registration in due time is indispensable for this form of voting, too.

Votes submitted within the framework of absentee voting must be received by the company in writing or using electronic communication before the registration period expires, i.e. at the latest by April 5, 2013. For absentee voting in writing, please use the personalized registration form sent to you with the invitation and return it to the following address:

Deutsche Bank Aktiengesellschaft
Aktionaersservice
Postfach 14 60
61365 Friedrichsdorf
Germany

Furthermore, you can participate in absentee voting using the password-protected Internet service for the General Meeting; in this case, the deadline specified above also applies.

After April 5, 2013, you will no longer be able to submit your votes through absentee voting. This also applies if you have previously requested an admission card or issued a power of attorney to a third party or a company proxy. After this date, a change of votes cast in the absentee ballot is only possible using the password-protected Internet portal and only for the absentee voters who submitted their absentee votes using the password-protected Internet portal. This possibility of changing votes ends at 12 noon on the day of the General Meeting. The possibility to participate in the General Meeting by revoking the absentee ballot remains unaffected.

Furthermore, authorized banks, institutions or companies with an equivalent status pursuant to § 135 (10) Stock Corporation Act in conjunction with § 125 (5) Stock Corporation Act as well as shareholders' associations or other persons with an equivalent status pursuant to § 135 (8) Stock Corporation Act may also make use of absentee voting pursuant to the rules described above and in observing the specified deadlines.

Requesting documents for the General Meeting

Requests for documents for the General Meeting can be sent to the following address:

Deutsche Bank Aktiengesellschaft
Corporate Secretariat
60262 Frankfurt am Main
Germany
e-mail: corporate.secretariat@db.com
Telefax: +49 69 910 85560

Documents for and additional information concerning the General Meeting are also accessible through the Internet at ► www.deutsche-bank.com/general-meeting. Furthermore, these documents will be available at the General Meeting and – if necessary – will be explained in more detail.

Requests for additions to the Agenda pursuant to § 122 (2) Stock Corporation Act

Shareholders whose aggregate shareholdings represent 5 % of the share capital or the proportionate amount of €500,000 (the latter of which corresponds to 195,313 shares) may request that items be placed on the Agenda and published. The request must be addressed in writing to the Management Board of the company and be received by the company at the latest on Monday, March 11, 2013. Please send such requests to the following address:

Deutsche Bank Aktiengesellschaft
Management Board
60262 Frankfurt am Main
Germany

Each new item of the Agenda must also include a reason or a resolution proposal. A shareholder making such a request must prove that he/she has owned his/her shares for at least three months before the day of the General Meeting (i.e. at the latest since January 11, 2013, 12 midnight). The provisions of § 70 Stock Corporation Act must be observed in determining the ownership period. The publication and forwarding of requests for additions are carried out in the same way as in the convocation.

**Shareholders' counterproposals and election proposals pursuant to § 126 (1),
§ 127 Stock Corporation Act**

The company's shareholders may submit counterproposals to the proposals of the Management Board and/or Supervisory Board on specific Agenda Items and, depending on the Agenda Item, election proposals for the election of Supervisory Board members or auditors. Such proposals (with their reasons) and election proposals are to be sent solely to:

Deutsche Bank Aktiengesellschaft
Corporate Secretariat
60262 Frankfurt am Main
Germany
e-mail: corporate.secretariat@db.com
Telefax: +49 69 910 85560

Counterproposals must stipulate a reason; this does not apply to election proposals. Shareholders' counterproposals and election proposals that fulfil the requirements and are received by the company at the address specified above by Wednesday, March 27, 2013, at the latest, will be made accessible through the Internet website:

► www.deutsche-bank.com/general-meeting

along with the name of the shareholder and, in the case of counterproposals, the reason as well as any comments by management.

The company is not required to make a counterproposal and its reason or an election proposal accessible if one of the exclusionary elements pursuant to § 126 (2) Stock Corporation Act exists, for example, because the election proposal or counterproposal would lead to a resolution by the General Meeting that breaches the law or the Articles of Association or its reason apparently contains false or misleading information with regard to material points. Furthermore, an election proposal need not be made accessible if the proposal does not contain the name, the current occupation and the place of residence of the proposed person. The reason for a counterproposal need not be made accessible if its total length is more than 5,000 characters.

Notice is given that counterproposals and election proposals, even if they have been submitted to the company in advance in due time, will only be considered at the General Meeting if they are submitted/put forward verbally there. The right of every shareholder to put forward counterproposals on the various Agenda Items or election proposals even without a previous submission to the company remains unchanged.

Right to obtain information pursuant to § 131 (1) Stock Corporation Act

At the General Meeting, every shareholder may request information from the Management Board about company matters insofar as the information is required for a proper evaluation of the relevant matter on the Agenda (cf. § 131 (1) Stock Corporation Act). The duty to provide information covers the company's legal and business relations with affiliated companies as well as the position of Deutsche Bank Group and of the companies included in the Consolidated Financial Statements of Deutsche Bank AG. In principle, requests for information are to be put forward at the General Meeting verbally.

The Management Board may refrain from answering individual questions for the reasons specified in § 131 (3) Stock Corporation Act, for example, if providing such information, according to sound business judgement, is likely to cause material damage to the company or an affiliated company. Pursuant to the Articles of Association, the Chairman of the General Meeting, over the course of the General Meeting, may determine appropriate restrictions on the speaking time, the time for putting questions and/or the total time available in general for speaking and putting questions or for individual speakers (cf. § 19 (2) sentence 2 of the Articles of Association).
